In a small village in the nation of Droeinka, orphaned sisters Celine and Amelie Fawe scrape out a living selling herbal medicines in their apothecary shop. Celine earns additional money by posing as a seer and pretending to read people s futures. But they exist in a land of great noble houses, all vying for power, and when the sisters refuse the orders of a warlord prince, they must flee and are forced to depend on the warlord prince s brother, Anton, for a temporary haven. A series of bizarre deaths of pretty young girlsis plaguing the village surrounding Prince Anton s castle. He offers Celine and Amelie permanent protection if they can use their skills to find the killer. With little choice, the sisters enter a world unknown to them of fine gowns and banquets and advances from powerful men. Their survival depends on catching a murderer who appears to walk through walls and vanish without a trace and the danger grows with each passing night.
