In addition: there are also several brief devotionals for both leaders and students present. The purpose behind this book however is not to present church leaders with a full-fledged season s worth of curriculum. Rather, the goal behind this book is to present church leaders with additional and alternative methods to teach scripture-based messages to their already existing curriculum. So if you re searching for fun and creatively different methods to share the Bible s messages on forgiveness, patience, kindness, faith, love, obeying Gods will, and more with children, then look no further. This is the ultimate alternative for all churches to check out!.
