A USEFUL SOURCE... **RECOMMENDED.** --Library Journal If you are one of the nearly forty million people in the United States who suffers from some form of arthritis, you are probably confused by the myths and misinformation surrounding the illness. Arthritis is, in fact, not a single malady, but more than one hundred different diseases, each with its own cause, symptoms, characteristic progression, and treatment. Here, at last, from the world-renowned Duke University Medical Center, is an authoritative, complete, and fully up-to-date home reference for arthritis sufferers. It tells you: -- Who gets arthritis, and when-
- How to identify arthritic diseases in their early stages-- What to expect at a complete examination-- How to become an active partner with your doctor in keeping your arthritis under control-
- The actions and side effects of the primary drugs used to treat arthritis-- How to conduct an exercise program that is right for you-- How to alter your lifestyle and work habits to minimize your discomfortThe Duke Basic Arthritis Program is designed to relieve the symptoms of arthritis and prevent its complications. Taking into account your...
