Reviews

It is one of my favorite publication. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my i and dad suggested this publication to understand. (Camryn Williamson)

EVENTFUL ARCHAEOLOGIES: NEW APPROACHES TO SOCIAL TRANSFORMATION IN THE ARCHAEOLOGICAL RECORD

[DOWNLOAD PDF](#)

State University of New York Press, United States, 2010. Paperback. Book Condition: New. 257 x 185 mm. Language: English . Brand New Book. What is the role of events when evaluating the long-term significance of the archaeological record? Given that the event is a key mechanism for structural change, are historical transformations always eventful? And what is the relationship between specific events and other temporalities of change? In this notable volume, researchers from Germany to Iceland to New York, from across the sweep of European and North American prehistory and history, explore the promise and challenges of events, the potent intersections of history and archaeology. Of special interest are the potential of events for better understanding volcanic disasters, the Neolithic argonauts of the western Mediterranean, Roman provincial archaeology, early Neolithic southern Britain, change during the Paleolithic era, the Iron Age Heuneburg Mud-brick Wall, colonial New York, and households. Indispensable for historians, archaeologists, and those ethnohistorians and anthropologists working within a long-term historical framework, Eventful Archaeologies offers a more holistic and richly textured approach for comprehending cultural change.
