

Solid Foundations: A Post-Tribulation View of the End

By Leon Schwartz

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. It's time for us to stop trying to make God fit our parameters and begin to understand who He is and the greatness of His love! In this revealing and enlightening study, Missionary/Pastor Leon Schwartz shares his personal journey into the Last Days of earth before the coming of the Messiah and Lord, Jesus Christ. Every reference in this book contains a strong, solid, biblical foundation for the one single event known as The Second Coming, when God will appear in the heavens and rapture us to live with Him. Age-old questions are addressed with wisdom gleaned from the very words of God Himself: Will the Church go through the seven-year Tribulation? Have men and women created theories from Scripture without taking the integrity of the whole into account? Why is so much eschatological teaching such a muddy mess? You'll be excited to learn that we have a hope like no other as the End Times are revealed to us through Scripture. Ultimately, we will be with our Lord forever! Hallelujah!.
