University of Georgia Press, 1990. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Its 1939, and for Georg, son of an English academic living in Germany, life is full of cream cakes and loving parents. It is also a time when his teacher measures the pupils heads to see which of them have the most Aryan- shaped heads. But when a university graduation ceremony turns into a pro-Nazi demonstration, Georg is smuggled out of Germany to war-torn London and then across enemy seas to Australia where he must forget his past and who he is in order to survive. Hatred is contagious, but Georg finds that kindness can be, too. The companion piece to HITLERS DAUGHTER, PENNIES FOR HITLER examines the life of a child during World War 2, from a different perspective.
