Brand New Book ***** Print on Demand *****.How are a few people able to dramatically change their life, their attitude, and their destiny while most people just get stuck trying to do better ? This book explains why active choices are the most important factor in changing your life. Explained in clear language with relevant examples, you will learn the secret to what parents everywhere tell their children: you can be anything you want. If you feel you are living the wrong life, this is the first book you should read. Regardless of who you have become and where you are right now, this book will show you that you can be something better. You will learn to shed passive living for a life filled with active choices. This book provides the one powerful key to unlocking everything else you ve ever read but couldn t get to work for you. It s the truth that puts The Secret, Think and Grow Rich, Drive, The Power of Thinking Big, and hundreds of other powerful texts to work in your life in the right way, right now.
