Reviews

An exceptional publication as well as the font employed was exciting to see. It was actually written extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Existentialism: A Beginner's Guide, Thomas E. Wartenberg, Existentialism pervades modern culture, yet if you ask most people what it means, they won't be able to tell you. In this lively and topical introduction, Wartenberg reveals a vibrant mode of philosophical inquiry that addresses concerns at the heart of the existence of every human being. Wartenberg uses classic films, novels, and plays to present the ideas of now-legendary Existentialist thinkers from Nietzsche and Camus to Sartre and Heidegger and to explore central concepts, including Freedom, Anxiety, and the Absurd. Special attention is paid to the views of Simone de Beauvoir and Franz Fanon, who use the theories of Existentialism to address gender and colonial oppression.
