### Reviews

*Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

PowerKids Press, United States, 2004. Hardback. Book Condition: New. Studio Stalio (illustrator). 213 x 170 mm. Language: English, Spanish. Brand New Book. Each of these beautiful books features a series of lavishly illustrated spreads that invite young reader to explore the inner workings of an animal or a plant while providing an understanding of how it works as well as how it interacts with the environment in which it lives. Other topics included in this inside-out look at animal and plant life include their natural enemies, geographical range, evolutionary history, defensive techniques, and the relationship each subject plant or animal has to humans. The intricately detailed color drawings and stunning photos offer a dazzling tour of the circulatory, digestive, reproductive, and respiratory systems of each animal and plant covered. The reader-friendly text enhances and explains the striking images.
