How To Resource Your Vision

By Dick Edic

Vision Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a guide for motivating, training and equipping church and Christian leaders in how to develop a culture of biblical stewardship and generosity to those people within their sphere of influence. It is directed primarily to pastors and church leaders, since that is where stewardship and generosity should be taught. However, the principles and process taught here can certainly be applied within the context of a Christian school or business environment. You may be a school leader that wants to help your staff, students and donors grow in their application of biblical stewardship and generosity. Or, you may be a Christian business person who wants to help your staff and employees benefit personally from this teaching. We know that stress from financial problems affects motivation and productivity in the work place. You would surely agree that our young people certainly need to learn these important principles before they enter into the challenges of adult life. The big question is how does a Christian leader organize and implement a strategy, or process in his or her...
