IMPROVING PROFIT

Book Condition: New. Publisher/Verlag: Springer, Berlin | Using Contribution Metrics to Boost the Bottom Line | Business of all sizes have a problem: How do you know-in real time-whether you are earning the profit you need to grow or even just stay in business? And which products or services are doing the "heavy lifting" in contributing to profit? Financial statements tell only part of the story. They are backward looking, for one thing, and they generally show results only in...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
