Indian Tax Administration: A Dialogue

By Parthasarathi Shome (Ed.)

Orient BlackSwan, New Delhi, India, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. Born out of a first-of-its-kind series of discussions between tax officials and practitioners, Indian Tax Administration: A Dialogue identifies and addresses challenges facing India as it contemplates tax reforms. Both, the dialogue and A Dialogue, have been organised by eminent tax policy analyst Parthasarathi Shome whose recommendations on tax administration policy have been included not only in India's Ninth and Tenth Five-Year Plans, but also in more than thirty countries where he has given technical assistance in taxation. This volume gives detailed analyses of the organisational structure, risk assessment and management in audit selection, dispute resolution and computerisation of both Direct and Indirect tax administrations. An investigation into the newly-established Large Taxpayer Units and a statistical study of the effectiveness of Value-Added Taxes of state administrations render it a broader appeal. Presenting successful models from across the globe, A Dialogue composes a veritable picture of tax reform for India to keenly consider. Printed Pages: 348.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again and again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
