Brand New Book ***** Print on Demand *****.Laughing with Insanity is a dramatic comedy centered on several reality-challenged patients living in a psychiatric hospital. We follow Nurse Rick as he shares several funny and bizarre short stories involving many of those patients so that you can better understand the depth of their delusions. He tells several funny stories about himself, and other staff members, to illustrate the effects that mental illness has on the caretakers as well as the patients. Later, he takes us through a single night of madness as it unfolds. He finds himself at times getting lost in the delusions of his patients. In order to cope with the bizarre behaviors that he witnesses on a daily basis, he uses humor as his way of escaping. This is his tale, so be ready to laugh with insanity!.
