Greenleaf Book Group, United States, 2012. Hardback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. Even though Karen Purcell excelled in math and science in high school, nobody ever talked to her about a career in the STEM fields. Finally, in her senior year, when she was frantically trying to decide on a college and course of study, her physics teacher commented that she should consider engineering. Lack of exposure was the first hurdle that...
