Quirk. 1 Cloth(s), 2014. hard. Book Condition: New. A wildly popular and inventive young adult fantasy, inspired by and illuminated with the author's bizarre yet authentic vintage photographs, Miss Peregrine's Home for Peculiar Children was widely hailed as "an enjoyable, eccentric read, distinguished by well-developed characters, a believable Welsh setting, and some very creepy monsters" (Publishers Weekly). New readers of the series will find this novel a treat and will be able to sift through summaries of previous events to place themselves in the story. Fans of the first title will find this book a treasure. The only downside: waiting for the third installment to find out what happens to Jacob and his peculiar friends."School...
