Drawn and Quarterly. Hardback. Book Condition: new. BRAND NEW, First Year Healthy, Michael DeForge, First Year Healthy purports to be the story of a young woman, recently released from the hospital after an outburst, and her burgeoning relationship with an odd, perhaps criminal Turkish immigrant. In a scant thirty-two pages, working with a vibrant, otherworldly palette of magentas, yellows, and greys, Michael DeForge brings to life a world whose shifting realities are as treacherous as the thin ice its narrator walks on. First Year Healthy is all it appears to be and more: a parable about mental illness, a folk tale about magical cats, and a bizarre, compelling story about relationships. Michael DeForge's singular voice and vision have, in a few short years, rocketed his work to the apex of the contemporary comics canon. *Ant Colony* was his first book with Drawn and Quarterly: it appeared on the New York Times Graphic Bestseller list and was lauded by the Chicago Tribune, *Globe and Mail*, and *Harper's Magazine*. His effortless storytelling and eye for striking page design make each page of First Year Healthy a fascinating puzzle to be unravelled. First Year Healthy is knotty and mysterious - it demands to be read and reread.
