Not illustrated. 1921 Excerpt: . . . the cities and towns of Texas are now about forty years old. A few of the city systems, following the leadership of Brenham, were established during the seventies; but most of our Texas towns trace their systems of public schools back to the early eighties. Before 1880 only the very slightest attention was given to the study of English Literature, and much less to the newer field of American Literature. The Official Bulletin of the State Department of Education for 1873 makes the following announcement: The following named books were adopted¹ by the Board of Education of the State of Texas, under the school act of April 27, 1871; and among the textbooks named are Watsons Independent Readers for the first to the sixth grades, inclusive. It would be interesting indeed to examine some of these Watsons Independent Readers, but since they are not available, it...
