Nilwall Group Inc., United States, 2012. Paperback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Doctors on average spare only eighteen seconds to diagnose a patient, which results in misdiagnosis one in every six times because both doctor and patient ask the wrong questions or no questions at all. Identity theft victims readily yield passwords without questioning. Even the routine job interview process is broken filled with tired predictable questions that surface textbook answers. How To Meet The Queen attacks our questioning deficit by gleaning principles from the professionals who are paid to ask good questions. This eminent cast includes headline interviewers like CNN's Larry King, 60 Minutes Mike Wallace, Harvard Medical School Professor Dr. Jerome Groopman, and even high-profile former criminal Frank Abagnale (subject of the Hollywood film Catch Me If You Can). These principles are applied to real life - personal health, the job interview, crime prevention, the art of selling, choosing a vacation, launching a startup business, and more. And as the title suggests, the author recounts chapter-by-chapter how close he came to meeting Queen Elizabeth II armed only with these principles! For more details please visit // Endorsement from Dr. Sean Wise, Professor of Entrepreneurship, Ryerson University, and the first online host of CBC's hit reality TV show, Dragons Den: Lee illustrates that knowing the right questions to ask is as important as finding the correct answers. How to meet the Queen is a strong introduction to the role that inquiry plays in customer and strategic development in business.
