Kathryn Northcott is the only child of one of America's most wealthy families. She is kidnapped at age six and rescued three days later. Her family, obsessed with her security since that time, encloses her life into a cocoon of excessive protection. As she matures, she becomes stunningly beautiful and stately. She enjoys the trappings of the ultra rich, world travel, the finest clothes, a tutored education, but she is so cloistered and sheltered that not only is she a sexual virgin but a social virgin as well who has never been touched by real world experiences. Kathryn suffers the loss of both her parents only weeks apart. The discovery of her mother's journals and adulterous behavior calls into question the legitimacy of her birth. The quest to find the answer reveals a myriad of surprises and shocking truths.
