Capitalism: The Religion

By Jim Green

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The adverse consequences of unemployment-a misery index, as it were, is no where to be found in our economic indices-indeed, when persons are without rights-[the American employee] the crimes committed against them become invisible.it is the reason why our inner-cities-to this day-languish as war-zones-with drug-driven economies and an epidemic of homicides.And the following is to advocate a solution. First, we need work to become a legal right, intrinsic to citizenship in America-and contrary to consensus by our experts, today-given automation, alone--this is a Pro-Market solution going forward in the 21st Century-indeed, indispensable to the effective functioning of our modern market economy. 86 of Americans believe that anybody wanting to work should be able to find a job -and the proposed legislation, outlined, herein, is THE NEIGHBOR-TO-NEIGHBOR JOB CREATION ACT-neighbors helping each other-which has deep roots in America--via Grant-In-Aid to local jurisdictions, and based on a truism: That we have far more work that needs to be done in America, than we have persons to fill these jobs.the myth re make work jobs-is nonsense.

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- **Alta Kirlin**

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
