People speak glibly about life changing moments. Some truly qualify. You propose marriage and are accepted. You hear, You're hired or You're fired and your future shifts instantly. The doctor says malignant (or something else life-changing) and everything is different. (Your entire world is turned upside down - what you thought about yourself, and what gave meaning to your life). The world rocks on its axis; when it is finally steady again, you are in a strange place that resembles, but is totally unlike the place you were in just a moment earlier. - Diana B Henriques from Wizard of Lies; Bernie Madoff and the Death of Trust A story of renewal and transformation: a transformation of heart. Eternal truths. True or not Possibly! Hope for a new beginning - one not divided by the past but with hope for the future. In a phrase, A NEW HEART. I'm gonna write till I drop!
