He can't wait to see the sights, hike the trails, and take pictures with his new camera. But on their first day in the park, everything changes in a flash. What happened? John and his Labrador Retriever, Belle, wind up in the Yellowstone wild, and find out really quick that they aren't alone. Can they make it back safely, with the park teeming with wild animals? But how? What will they find.or.what will find them? About the author - Back in 2008, I visited my first national park and became absolutely hooked! Since then, I've traveled to many national parks in the United States. I hope to see them all one day! My family and I love to spend time outdoors and enjoy watching nature change with each passing season. I took up photography along the way, and now, I always have my camera ready. Because of our love of nature and the national parks, I became inspired to create The Flash Adventures Series. I hope you enjoy John and Belle's adventures as they find out where photography will take them! Enjoy the Journey! R. E.
